

# Storyboard Canvas

Name Alan Murray Project Total Solar Eclis Date 03/24 Page 1 / 1

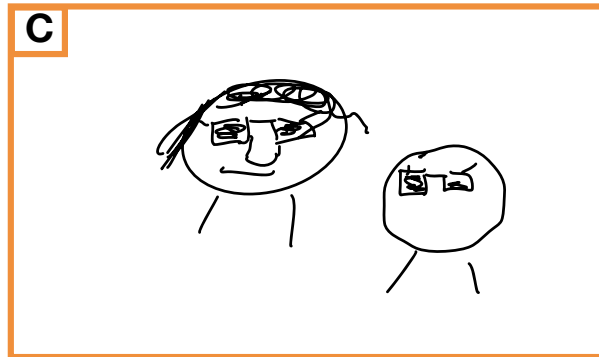

**A** Storytelling Objective: (Use your exploratory questions to formulate a 2-3 sentence statement describing what your story will accomplish.)

Cover a point-of-view story that shows what it's like to experience the 2024 total solar eclipse to inspire people to get out and try new things

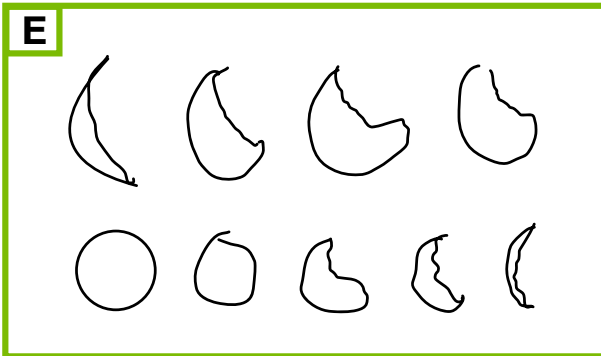

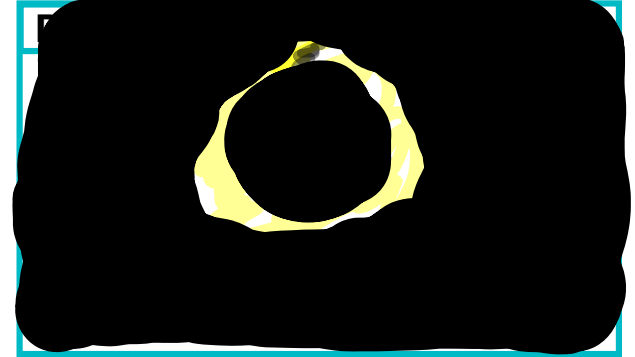

Scenes/Notes (Sketch and make notes of possible scenes, views, key moments, key people, perspectives, important information ordered by priority, concept, etc.)

Scene setting of totality  
with people cheering  
Remote camera

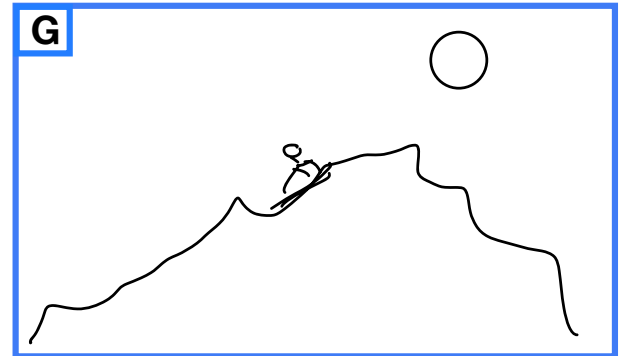

CLOSE-TO MEDIUM VIEW  
of people wearing glasses  
for partial phase  
where to get glasses

SEQUENCE OF PHASES

TRAFFIC  
TALK with VT Highwa office
